CRAFTING WITH LOVE

Discover your artistic talents by exposing your pair of skillful hands to this course. This programme will sharpen your creativity, visual skills, motor skills, and the use of left and right brain function, which can be mentally stimulating.

Course Description

Interesting highlights of the programme include:

- Participants will learn the basic techniques of Quilling and make wearable beautiful accessories such as earrings or pendant
- Participants will learn the basis techniques of Sospeso. It is a very new form of craft where a special non-toxic thermoplastic sheet is moulded using a heat source so the end results looks like cold porcelain or frosted glass
