

MAKING HARMONY WITH HARMONICA (口琴的故事)

Music is a wonderful tool to relax and soothe your mind. Wind instruments have been particularly known to cause immense health benefits. Playing harmonica improves your breathing, which leads to an increase in lung capacity and oxygen storing capacity. Come and stay healthy while blowing away your blues.

Course Description

Interesting highlights of the programme include:

- Participants will learn notes and basic techniques of playing harmonica
- Participants will be able to play at least 5 songs at the end of the course, depending on individual progression

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)
