

U can play UKULELE I

Music is beneficial for people struggling with memory loss and it helps to improve memory and cognitive function. In this ukulele session, senior participants will benefit from therapeutic music making sessions, in memory enhancement as they learn to let music soothe their soul and relax their mind.

Course Description

Interesting highlights of the programme include:

- Participants will learn the basic techniques and skill strumming tunes using Ukulele.
- Participants will be able to play at least 5 songs at the end of the course, depending on individual progression.

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)
