

## U can play UKULELE II

Music is beneficial for people struggling with memory loss and it helps to improve memory and cognitive function. In this ukulele session, senior participants will benefit from therapeutic music making sessions, in memory enhancement as they learn to let music soothe their soul and relax their mind.

### Course Description

Interesting highlights of the programme include:

- Participants will progress from level 1 and learn new chords and strumming patterns of playing the ukulele
- Participants will be able to play at least 5 songs at the end of the course, depending on individual progression
