

DECOUPAGE

Decoupage is the art of decorating objects either paper cutouts and paint effects. These cutouts are glued to the surface and several coats of varnish are applied to give it a lacquered finish. The finished products are so stunning that they are often mistaken to be professionally painted.

Course Description

Interesting highlights of the programme include:

- Introduction to what is decoupage.
- Introduction to the types of materials and medium used.
- Learn basic decoupage technique on different materials.
- Gather ideas on how to upcycle old/ordinary objects to beautiful art pieces.
- At the end of this workshop you would have learnt a new skill and be able to create personalised gifts for your home, family and friends.

*(Not suitable for those who are familiar with the description mentioned above.
Please note that this is a basic course.)*
