

MAKING HARMONY WITH HARMONICA I

Music is a wonderful tool to relax and soothe your mind. Wind instruments have been particularly known to cause immense health benefits. Playing harmonica improves your breathing, which leads to an increase in lung capacity and oxygen storing capacity. Come and stay healthy while blowing away your blues.

Course Description

Interesting highlights of the programme include:

- Introduction to harmonica and the various types of harmonica
- Participants will learn about the breathing techniques; basic techniques of playing harmonica and reading of notes
- Participants will be able to play at least 5 songs at the end of the course, depending on individual progression

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)
