

Eco-Upcycling Workshop Series - Home & Decor Series

Ever wonder how to turn some waste or unwanted materials like used bottle, paper bag or milk carton box into useful materials. In this workshop, participants will practice upcycling and eco practices at home. Not only these are environmentally responsible and friendly, they are great money savings methods too. Participants will walk away refreshed and having new ideas about bringing trash to treasure!

Course Description

Interesting highlights of the programme include:

- Basic knowledge of upcycling
- Difference between recycling vs upcycling
- Hands on workshops - bottle lamp, plastic bottle planter etc
- Sense of wellbeing and happiness, reduces stress and anxiety through craft

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)
