INTRODUCTION TO CHARCOAL DRAWING

Charcoal is one of the oldest art mediums, having been used for cave drawings by early man. With charcoal being a versatile medium, one can create extremely realistic, sensitive drawings with it. It is also bold, daring, and dramatic. Much darker than any pencil and has richness, making drawing with charcoal a complete unique experience.

Course Description

Interesting highlights of the programme include:

- Introduction to Charcoal Drawing
- Learn fundamental drawing skills like contour lines, proportion, composition and shading through a series of still life, landscape and portrait drawings using charcoal as a medium

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)
