

MINIATURE FOOD SCULPTING

Experience and learn the magical craft of making realistic Singapore style miniature food display models using Japanese made Air Dry Resin Clay! Indulge in a full-sensory experience, as you design your own miniature food using techniques of simple clay modelling, colouring, texturing and cutting to create your local food delights.

Course Description

Interesting highlights of the programme include:

- Develop appreciation of clay modelling as an art form
- Able to combine techniques using clay and other complementary materials to create and design their own food model display.

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course)
