

Interior Design & Styling I

To learn how to design and styled residential space. Participants will learn the fundamentals of good interior spaces and design their own's home space through lecture, practicum, outdoor visits and group activities

Course Description

Interesting highlights of the programme include:

- Introduction to Interior Design and Styling. What makes a memorable and meaningful home space? Identify interior styles in history
- Understanding the power of light to change interior space. Practice on identifying lighting types
- Understanding colour matching and selection. Practice on colour matching.
- Form, size and volume of interior. Visit to the National Museum of Singapore – exploring traditional interior space and materials
- Accessories & Decoration – the details that make a beautiful home
- Designing your own Space – exercise designing your home using the collage method. Making the mood board.

(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)
