

## KEYBOARD APPRECIATION CLASS I

Music is beneficial for people struggling with memory loss and it helps to improve memory and cognitive function. In this keyboard session, senior participants will benefit in memory enhancement and therapeutic music making sessions as they learn to let music soothe their soul and relax their mind.

### Course Description

Interesting highlights of the programme include:

- Participants will learn chords and basic techniques of playing keyboard
- Participants will be able to play at least 5 songs at the end of the course, depending on individual progression

*(Not suitable for those who are familiar with the description mentioned above. Please note that this is a basic course.)*
